

ACTING AND IMPROV

Allow your imagination to take center stage! Through various games, exercises, and scene work, participants will explore the fundamentals of acting and the thrilling world of improvisation. The course is great for both kids with goals as an actor, as well as those who are simply curious about the craft. Students will overcome fears, develop self-confidence, and learn to express themselves. They will learn how to pay attention in the moment while adapting their character to the changing environment. Students will be able to perform a monologue or scene after the course.
