

COSPLAY CREATIONS

This course is perfect for all aspiring cosplayers and craft enthusiasts. Our course offers an exciting journey into the art of cosplay. This hands-on course will encourage creativity and help bring your student's favorite character to life. They will learn costume design, special effects makeup skills, and how to create props.

Students will utilize costumes, props, and makeup to bring their creative vision to life. Guided through alteration and design processes, they'll curate their desired outcomes.

The culmination includes a photo shoot where students showcase their creations.
