

— LEGO MAKER: AMAZING AMUSEMENT PARK —

Ages 5-8

Step right up and design the amusement park of your dreams in this thrilling camp! Campers will use LEGO® bricks to build exciting rides and attractions, all while exploring forces, motion, and energy transfer.

From roller coasters to spinning rides, participants will learn essential engineering concepts and bring their wildest ideas to life. Collaborative projects encourage teamwork and innovation, making this an unforgettable journey into imagination and hands-on learning.
