

Welcome to Esteam Learning Labs on-site summer camps!

We are looking forward to having your child join us for a week of learning and fun!
Your child is currently signed up for the camp:

at ESTEAM Academy (yes, it is a house, but we converted it into a really cool school and learning center)

Address: 12 Lake DR, Round Rock

Date:

Time: 9am - 4pm

Monday - Friday

IF EXTENDED HOUR WERE ADDED TO YOUR REGISTRATION:

Before Care dropoff 8:30

After Care Pick-up 5:30

Due to the covid-19 pandemic our camps look a bit different this year.

Precautions and changes

- Camp Drop off and Pick up procedures:
- Drive past the School and down to the end of Lake Dr to flip around in the cul de sac. SEE MAP BELOW!

- We will have all parents stay in their cars and our staff will be outside directing traffic and ready to welcome your camper to our camps.
- We will go to each car and speak with you from the passenger side of your vehicle.
 - First day we will take your registration waiver paperwork. The waiver is attached to this email and can also be found [HERE](#).
- We will then scan your child for any fever and officially welcome them to camp!
- Campers will then go to the designated outdoor area where all campers will meet for a circle game.
- Once all campers have arrived our guides will then walk them into the building where they can start their day.

Daily Schedule

- Our day is broken up into 4 lab times with breaks in between. Each lab can run anywhere from 1 hour to 2 hours depending on the projects.
- Breaks will be longer and outside to allow our campers to interact and have fun with each other.
- During our Learning Labs, students will have dedicated equipment and kits that are only for them to use.
- Campers will be in a space with other campers and will interact as they build, make, share (show and tell) and create with each other.
- The Staff will clean surfaces in between labs and lunch.

Things to bring or wear:

- A bottle of water that can be refilled throughout the day
- Snacks for both the morning and afternoon session. (If your child is in our late pick up it is a good idea to send additional snacks for that time as well).
- Lunch: please provide your child with a cold / brown bag lunch that doesn't require a microwave or kitchen.
- Sunscreen and protective clothing (e.g. close-toed shoes, hat, etc.) for when we go outside during lunch.

IMPORTANT

- If your child exhibits any fever or illness please call us and do not come to camp.
- If you believe that you have been exposed please call us and do not come to camp.

- Although masks are not required at our camps for either our staff or campers, anyone that feels more comfortable can wear one.
- All Families must sign the [attached pdf](#) Release and Liability Waiver for Covid-19 and return that form the first day of camp in order to participate.

You can find detailed policies and procedures for our 2020 summer camps [HERE](#) AND [HERE](#)

The ESTEAM Learning Labs staff is looking forward to a great time with your child. If you have any questions about our camps please feel free to give us a call or email.

Thank you for allowing us to share the excitement and fun of learning with your child and we will see you on Monday!

With Warm Regards,

JoAnn Nolte
